Dear Manager, Air Toxics:

Resolute Forest Products in Catawba, South Carolina is a major source that is subject to 40 CFR Part 63, Subpart JJJJ, National Emission Standards for Hazardous Air Pollutants (NESHAP) for Paper and Other Web Coatings Industries. The purpose of this letter is to provide DHEC with the Semi-Annual Compliance Report as required by 40 CFR § 63.3400(c)(2). A summary of the sources subject to this regulation stating no deviations occurred is attached.

The No. 2 Paper Machine was indefinitely idled in June 2017, with no anticipated re-start date. No. 1 Paper Machine has been idle for several years. Therefore, there was no activity related to Subpart JJJJ during the semi-annual period.
